METLAM AUSTRALIA PRODUCT WARRANTY

Metlam Australia products are covered by strong Australian warranty and guarantees. As per strict Australian warranty laws, Metlam Australia will replace/repair goods or provide compensation if a product is found to be defective or faulty under the terms of our warranty. Metlam Australia can also issue a project specific warranty dependent upon the relevant project.

MATERIAL SPECIFICATION

Utilising Australian ingenuity many Metlam Australia products are Design Registered or have Patent or Innovation Patent Protection and are manufactured to exacting Australian and International standards from, both our direct manufacturing facilities and manufacturing partners under strict quality control.

METLAM AUSTRALIA QUALITY GUARANTEE

Metlam Australia products are manufactured to exacting Australian Standards and meet international and Australian certification requirements. Metlam Australia manufacture using Australian methodology, techniques and processes. Our two stage quality control and management program ensure consistent levels of quality and supply.

DESIGN INNOVATION & OEM CAPABILITIES

Many of our products are now Design Registered or have Patent or Innovative Patent Protection. This ingenuity is in direct recognition of our design initiative and manufacturing facilities. As certain projects may require unique or alternate product specifications or finishes, Metlam Australia also has the capacity to produce components on an OEM basis. Our current OEM Program manufactures exclusive product ranges under licence for some of the region's largest companies.

From individual washroom accessory components to a complete washroom fit-out program, Metlam Australia can provide a cost effective, contemporary designed and functional, quality product offering that will stand the test of time.
